ALL COINS
GUARANTEED GENUINE

WE STILL CHARGE
NO BUYER'S FEE

Harlan J. Berk, Ltd. has presented an innovation in numismatics for some time now. The system is simple. When you want a coin in the sale, just bid the estimated price by phone or mail. We will send you the coin immediately, if you are the high bidder. No waiting for the closing of the sale. And all coins not sold before the closing date will be sent to the highest bidder on May 28, 1986.

EXAMPLE — You bid estimate on a coin valued at \$100.00 and if your bid is the 1st to reach us, you will receive the coin immediately. If on the other hand, you bid \$75.00 on the same coin and are still the high bidder at the end of the sale, the coin will be mailed to you on the closing date, May 28, 1986.

If you are ever in the area, stop in and see us! We are only five minutes away from Interstate I-55 or I-80. Of course, it's best to call first.
